## **INDUSTRIAL IPA** - This one is a butt-kicker.

Essentially, the same recipe as the IPA, but with approximately 25% more grain and twice the hops!

**BLONDE ALE** - Based on a pre-Prohibition era lager recipe, this one is surprisingly complex despite being one of our lightest beers. Wheat, corn, flaked barley and malted barley all lend their respective goodness. 4.8%

**POSSESSION PORTER** - Loads of flaked barley & Munich malt for that huge mouth feel. Black barley & chocolate malt give it a reddish black color, Galena & Glacier hops perfectly balance the bitterness and maltiness. 5.6%

**INDIA PALE ALE (IPA)** - Our flagship beer, the one for which we are known throughout Puget Sound. Columbus hops impart intense bitterness with flavors of grapefruit and a hint of cedar. 6.2%

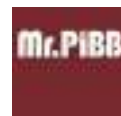

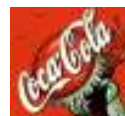

**BROWN ALE** - An American-style Brown ale with a slightly sweet and malty nose and a deeply complex flavor profile. Glacier hops lend a slightly herbal finish. 5.6%

**HO!HO!** - A robust 'winter warmer' ale, ruby brown in color with a sweet, fruity nose. Very hoppy, yet balanced with a residual sweetness.

## **WYDER'S RASPBERRY CIDER**

This cider is clean, crisp and balanced with a tingling raspberry nose. 4.0% ABV 3.65 5.02 11.42
