Cream Ale - A very light ale brewed with pale and pilsner malts, flaked corn and brewers' sugar. Vanguard hops lend just a hint of bitterness. 5.4%

Possession Porter - Loads of flaked barley and Munich malt for that huge mouth feel. Black barley and chocolate malt give it a reddish black color, Galena and Glacier hops perfectly balance the bitterness and maltiness. 5.6%

Blonde Ale - Based on a pre-Prohibition era lager recipe, this one is surprisingly complex despite being one of our lightest beers. Wheat, corn, flaked barley and malted barley all lend their respective goodness. 4.8%

Whip Ale - Our collaborative effort with Michael Wilton of Queensryche! An American Pale Ale bittered with Nugget, Simcoe & Cascade hops. Pale, Crystal & Vienna malts balance the bright, citrusy hop character. 6.1%

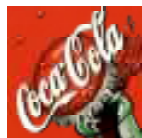

India Pale Ale (IPA) - Our flagship beer, the one for which we are known throughout Puget Sound. Columbus hops impart intense bitterness with flavors of grapefruit and a hint of cedar. 6.2%
